AMENDMENT AND RESPONSE TO FINAL OFFICE ACTION UNDER 37 CFR 1.116

Dear Sir:

This Amendment and Response is being filed in response to a Final Office Action mailed from the U.S. Patent and Trademark Office on December 28, 2004 in the above-identified application. A petition for a one-month extension through April 28, 2005 is filed with this response. Also filed on the same date as this Response, is a petition to remove the finality of the Office Action. As stated in the petition, Applicant believes that the Office Action was improperly made final, as all of the properly-filed Information Disclosure Statements have not been considered by the Examiner and the references cited therein made of record in this application.
